Some Exciting News About Funding !

Our parish, together with our partnership, has been chosen as part of a diocesan pilot programme. We have been given a special opportunity to help shape how we fund our parishes and partnerships of parishes into the years ahead.

This pilot programme, called **Funding Mission in Partnership**, in tandem with our pastoral initiative Building Hope, is focused on building sustainable parishes for the future. This pilot programme is a real opportunity to help model a way forward for parishes across the Archdiocese.

Over the coming weeks, we will be inviting your input through a parish survey. **Please complete the survey!** We want to hear your voices and experiences. Through it, we hope to reflect together on a few simple but important questions: • Do I truly understand the financial needs of our parish today? • How can I support? • How can we grow together as a community of faith? Your feedback will help guide us as we take the next steps on this journey. Each of us has a role to play in securing the future of our parish.
