World Day of Grandparents and the Elderly Message of Pope Leo XIV

The celebration of the World Day of Grandparents and the Elderly is an opportunity to rediscover that the Church is called to be a mother to all and that at any age it is always possible to recognize ourselves as sons and daughters of God. May this day, therefore, be an inspiration for everyone, especially the young, to revive the beautiful custom of visiting their grandparents, the elderly members of the family and even those who have no one to visit them. Bring them, through this message and your presence, the closeness and affection of the Pope. Ensure that the words of the prophet, "But I will never forget you," take the form of a tender and affectionate encounter.
